Dear Friends,

As thoughts of the holidays and our loved ones fill our hearts we invite you to attend our annual **TREE of LIFE LIGHTING & MEMORIAL SERVICE**. The ceremony, a celebration of remembrance, is open to everyone, not just those who have availed themselves of our services.

The compassionate care we offer whether in the hospital, a nursing facility, or one's own home, is reflected in the words of some of our grateful families:

The social worker's patience and caring nature have been such a comfort to my irreparable and shattered heart. Their gifts as a social worker are evident in all they provide during the bereavement sessions. — GABRIELLE

It is difficult to adequately describe the attributes unique to each of these wonderful women as adjectives fail to describe the depth of the staff's humanity in caring for a person they did not personally know. Each of them are remarkable people who are a credit to their profession and are simply, Angels, whom I will never forget. — NIKKI

Please join us as we remember our loved ones and commemorate three decades of service to the community and the friendship between our family and yours. Your support strengthens our mission: to provide medical care and personal support for patients and their families during this difficult time.

Sincerely,

A handwritten signature in black ink that reads "Maryellen Guszack MS, RN". The signature is written in a cursive style with a large initial "M".

DUDLEY NORTON REMEMBRANCE GARDEN AT LONG ISLAND COMMUNITY HOSPITAL

The staff and volunteers have developed a Remembrance Garden. Memorial bricks and seasonal plantings are dedicated in memory of those we have lost. From the time the first brick was set, the garden has offered comfort to both adults and children and serves as a special way to remember loved ones. We hope you will take this opportunity to buy a brick, honor a loved one, and help us continue our mission of compassionate care to the community.

I would like to donate a Memorial Brick in memory/honor of:
