

Long Island Community Hospital accepts or participates with all payers listed below as of 4/1/2019.

It is important that you contact your insurance member's services department or refer to your insurance company's website to confirm your particular plans participation with our Medical Center. If you do not see your insurance listed or should you have questions, please contact our Patient Access/Admitting department at 631.654.7770.

****If you receive emergent or medically necessary services at Long Island Community Hospital, and your insurance is out of network – we will bill your insurance. Should your insurance impose a deductible, co-pay, coinsurance or deem a patient responsibility, you will receive billing notices from Long Island Community Hospital or its third party agency for that imposed patient responsibility.****

*****Physicians who provide services in the hospital may or may not participate with the same health insurance plans as the hospital. Patient should verify insurance participation with the physician prior to services being rendered.*****
